## MEDIA ADVISORY

### *OSMOSE INC. TO RECEIVE WORKPLACE SAFETY AWARD*

**NASHVILLE** – Tennessee Occupational Safety and Health Administrator John Winkler will present the **VOLUNTEER STAR Award** to Osmose Inc. of Millington, Tennessee, on Friday, October 22, at 11:30 p.m. (CST) The ceremony will take place at the facility located at 3450 Fite Road in Millington. Osmose is a manufacturer of wood preservatives. The company employs 66 people. The VOLUNTEER Safety through Accountability and Recognition (STAR) Award is the state's highest honor for workplace safety and health. A nationally recognized program, the VOLUNTEER STAR Award is patterned after the OSHA Voluntary Protection Program (VPP). Osmose Inc. is the 17<sup>th</sup> site in Tennessee to achieve Volunteer STAR status.
